Nat 1/ Int 2	Written	The big majority showed a good comprehension of the rules, altohug some more studying needs to be done, specially regarding heat system and administrative processes of the event, things that are need when a judge
	Video	Overall a good identification of the tricks was seen, however, more details are needed in order to be able to properly decide between two riders that may be close. Some mistakes on rotations and handle passed inverts, that still need to be studied more deeply by watching as many wakeboard videos as possible.

Both calculators achieved Int 2 level, but need confirmation while calculating an event with na Int 1 Calculator and using the calculation software (for the knowledge of the software only)
