### Invitation for Quotations for 2025-2026 HK National Wakesurf Squad Training Boat Period 1<sup>st</sup> April 2025 to 31<sup>st</sup> March 2026

The Hong Kong, China Waterski Association Ltd.(HKCWA) seeks quotations for the Hong Kong National Wakesurf Squad Training Boat

Our specific requirements for the training boat are:

1. The ballast (include internal, external and people) could be increased up to **3000 pounds** depends on the training content of that day;
2. Boat driver license, qualified coach license, operation license, certificate of ownership, commercial vessel insurance and third party insurance (covered water sports) are prerequisites.
3. The service provider should store 1st aid kits on board, 1st aid certificate and life-saving certificate are advantageous.
4. The service provider should create a private Instagram account and add HKCWA to it. Provider also needs to livestream the practice sessions of the HK team athletes using his/her own smartphone in order to monitor and keep record of the training session. The videos will only be used by HKCWA for review and record-keeping purposes only.
5. Boat Driver with competition boat driving experience is advantageous.
6. Inboard boat with date of manufacture not earlier than **2015** is preferred;
7. Athletes will pay the full boat hiring amount to the service providers once the training session is completed.
8. All price rates should be clearly stated in the Training Boat Application Form (Next page). Note that the quotation should be on a unit rate per 30 mins set basis. It is estimated that there will be 3-4 x 30-minute sets per month per athlete. Athletes can use their quota of 9-12 x 30 minutes sets within 3 months. The price cannot be changed unless agreed by both parties. The agreement shall be made officially and directly between HKCWA and the service provider, any agreement made with other parties would be invalid.
9. The provider applies for the senior category must also provide services for the junior category.

The boat should be in a suitable location for ease of access to suitable training conditions.
